## A POWERHOUSE NUTRITION PROMOTING BALANCED GASTROINTESTINAL AND CARDIOVASCULAR HEALTH. PROVEN TO ENHANCE OPTIMAL LIPID LEVELS INCLUDING HDL, LDL CHOLESTEROL & TRIGLYCERIDES

- **Probio BALANCE combines** advanced Probiotic science and modern herbal knowledge. Probio BALANCE is made using cutting edge nutritional technology and production methods for a highly specialized formulation. Probio BALANCE is unique, safe and effective world class nutrition.
- **Promotes healthy gut microflora** that is proven to increase the bodies ability to produce larger amounts of bile salt hydrolase which may prevent or reduce the re-uptake of cholesterol.
- **Enhances optimal lipid levels** including elevation of good HDL cholesterol which helps reduce LDL in your arteries. Probio BALANCE supports reduction of triglyceride levels in hyperlipidemia and other elevated lipid conditions.
- **Lowers dietary cholesterol absorption** in clinically proven trials and supports the body's lipid oxidation status. Digesting plant sterols in a healthy gut promotes LDL cholesterol being removed as waste leading to lower levels and improved health.
- **Supports cardiovascular health** and provides nutritional support to those combating the effects of Metabolic Syndrome related conditions. A unique herb is also a significant part of this patented formula to support the reduction of cortisol levels and reduce stress.
- **Formulated for consistent daily use** as a stand alone product AND/OR for maximum nutritional synergism, Probio BALANCE use is encouraged, efficient and safe to use in partnership with Lonicera Longevity and the entire suite of Modexus nutritional products.
